Summer Camp Guide Information

QUALIFIED STAFF

Camp staff are carefully selected based on their former experiences working with children, along with their display of enthusiasm, strong leadership skills and sound judgement. Our staff have been certified in HIGH FIVE Principles of Healthy Child Development. HIGH FIVE® is a national quality assurance process that helps us attain this goal for your children. As a registered organization, the Town of Cornwall supports the mission of HIGH FIVE® and is actively engaged in training our staff and designing our programs around the HIGH FIVE® principles. Together we will strive for program excellence that will help all children achieve success.

CAMP SWIMS

Camp swims are incorporated into daily program plans and appropriate staff -to-camper ratios are maintained during all camp swims. Campers younger than 6 years old must wear a personal flotation device (provided by us) and remain in the shallow end. Campers who are 6 years old and older will be allowed in the shallow part of the pool, and those who pass a swim test will be permitted in the deep end.

ALLERGY AWARENESS

The Town of Cornwall Parks and Recreation Department's priority for all of our programs is the safety of our participants and staff. We ask all parents to avoid packing lunches that include peanut butter, nuts and foods that contain nut by-products. Please notify us if your child has such an allergy. Summer camp staff are trained in first aid. We ask you to join us in our commitment to providing a safe environment for all participants and staff. If your child requires an Epi-Pen please ensure that staff is notified.

SUNSCREEN POLICY

The sun can get hot and is potentially dangerous to your child's health, and we care too much about children to let them get hurt. So, every child should be sent with sunscreen on a daily basis. Our staff will check periodically to ensure that children are wearing their sunscreen.

WHAT TO BRING

Your child needs to bring a backpack sent each day packed with a healthy lunch and two snacks, water bottle, a hat, sunscreen, swimsuit, towel and a change of clothes. Depending on the camp, additional items may be required. You will receive information about this on the first day of camp. Please remember to label all your child's belongings!

LUNCH OPTION

Most of our summer camps have the option of participating in the lunch program. The Town partners with a variety of local restaurants to provide your child with a different lunch each day. The cost of the program is an additional \$ 25.00 per week which provides lunch and a drink to your child daily. You must pre-register at the time of registration for this program.
