RESOLVED:

Whereas: The Town of Cornwall Water and Sewer Utility requires a rate study to ensure that the rates and rate structure for the water and sewer utility are adequate to provide high quality service, and to ensure the ongoing financial stability and viability of the system, and to ensure the costs of operating and maintaining the system are allocated equitably among the various classes of user,

And Whereas: The Town has applied for fifty percent (\$16,500) of the required funds for this project through the Municipal Strategic Component of the Gas Tax program,

Therefore, Be it Resolved: That the Town of Cornwall approve submitting a Capital Investment Plan application under the Direct Allocation program of the Gas Tax Fund for forty percent (\$13,200) of the cost of the Town of Cornwall Utility Rate Study.
