CORNWALL COMMUNITY NEWS

REMINDER TO CLEAN UP AFTER YOUR PETS

Animal waste is unsightly and smelly and can be hazardous to the health of our children who play in the community and other pets. It is important to remember to immediately clean up after your pet. Take along a baggie with you to pick up waste, then dispose of it properly. By taking a few steps to clean up after your pet, you can contribute to the beautification of our Town.

PLANNING REMINDERS

Fire Pits: Open fires are not permitted in the Town except for in a recognized campground facility when the fire is enclosed in such a manner as may be prescribed in the Provincial Fire Prevention Act and Regulations. Personal fires must be contained in a CSA or ULC approved commercially available product, such as a chiminea with proper spark arrestors in place.

Pools: The Town would like to remind you that before purchasing any type of outdoor pool, you should obtain a permit for the pool and required fence.

Please share the road. Staff will be installing speed humps throughout the Town on high traffic residential streets and the speed humps will remain in place until October.
