RESOLVED:

Whereas: The Province of Prince Edward Island will complete the Cornwall Highway Bypass project in the fall of 2019, thereby enabling the Town of Cornwall to develop a new Main Street on the former Trans Canada Highway,

And Whereas: The Town of Cornwall has completed both a Main Street and a Parks/Recreation/Open Spaces master plan in consultation with the residents of the Town and both of these plans call for the development of an Active Transportation Trail/Cycleway along the new Main Street from the North River Roundabout to the Terry Fox Sports Centre,

And Whereas: The Town of Cornwall wishes to encourage residents and visitors alike to engage in active transportation for both health and environmental reasons,

And Whereas: The Town of Cornwall has applied for funds to develop the Active Transportation Trail/Cycleway along the new Main Street from the North River Roundabout to the Terry Fox Sports Centre and the Town in the interests of safety and encouraging greater use wishes to install lighting in phases along the system,

Therefore, Be it Resolved: That the Town of Cornwall hereby approve submitting a Capital Investment Plan application under the Direct Allocation Program of the Gas Tax Fund for $121,000 to install lighting (55 lights and poles) along the first 2 phases of the Active Transportation Trail/Cycleway from the North River Roundabout to the intersection of John Street and the former Trans Canada Highway, to be installed in the summer of 2022.
