Thank you for taking the time to complete this Speed Hump Request Form. Upon receiving a completed form, staff will arrange for a traffic volume and speed survey –typically undertaken in the fall or spring. Other criteria will be reviewed as well. The data will then be used to determine whether or not speed humps are warranted.

As per Speed Humps on Local Residential Streets: Warrant Criteria & Installation Guidelines, 2/3 or 66% of the residents on the street segment approve of the speed hump installation (1 vote per address/residence). The Town of Cornwall will conduct a survey once a completed application is received.
