Whereas: Canada is a country with one of the highest rates of Crohn's disease and ulcerative Colitis, two forms of inflammatory bowel disease caused by an abnormal immune system response, in the world,

And Whereas: The Maritimes have the highest rates of these debilitating lifelong diseases in Canada,

And Whereas: During the month of November, Crohn's and Colitis Canada is raising awareness about these diseases and their impacts upon those who live with them every day,

Therefore, be it Resolved: That the Town of Cornwall proclaims the month of November to be Crohn's and Colitis Awareness month in the Town.
