RESOLVED:

Whereas: The Town of Cornwall Water and Sewer Utility infrastructure requires significant upgrades; the utility needs to do a Water and Sewer Master Utility Strategy to evaluate the existing systems and make short- and long-term recommendations for improvements of the systems based on growth and development, and climate change,

And Whereas: The Municipal Strategic Component of the Gas Tax program has funding available for such projects,

Therefore, be it Resolved: That the Town of Cornwall approve applying to the Municipal Strategic Component of the Gas Tax fund for the Water and Sewer Master Utility Strategy project in the amount of $66,000.00 which represents fifty percent of the estimated total eligible costs of the project.
