W/S Application #_____ W/S Receipt #_____ Development Permit #_____

APPLICATION FOR SERVICE

- This application must be filled out completely and signed by the customer, developer or the installer (Applicant) before service will be provided. The Applicant agrees to abide by the requirements of the Town of Cornwall Utility Corporation (Utility) and all applicable provincial legislation.
- The contractor must contact the Utility at 902-566-3234 with 24 hour prior notice to commencing construction, and all inspection work must be carried out Monday to Friday between the hours of 8:00am and 4:00pm.
- Costs of extending services or increasing the size of existing services, including in the public right-of-way, shall be the responsibility of the Applicant. Reinstatement of any infrastructure (e.g. streets, sidewalk, storm system, etc.) in providing these services shall be the responsibility of the Applicant and must be competed in a timely manner.
- Underfooting service is not guaranteed by the Utility. Elevations must be verified by the Applicant before construction begins.
- Service will not be provided until the application fee is paid, a provincial plumbing certificate is issued (where one is required) and an inspection of the work is carried out by the Utility before the work is covered up.
- **IT IS NOT PERMITTED TO CONNECT SUMP PUMP/HEAT PUMPS/GEOTHERMAL TO MUNICIPAL SERVICES.**
